Date: Thursday, March 18, 9:30 a.m.

Destination: Isle of Hope, Georgia.

Directions to the departure point: Isle of Hope is in Savannah. For those of you with GPS we will be starting the ride in the Isle of Hope Babtist Church parking lot at, 22 Rose Ave, Savannah, GA 31406. It takes about 50 minutes from the Moss Creek Gate to the church. We take 278 west to 170, left on 170 to 46, and right on 46 to 17. If your not familiar with the route just follow the signs to Savannah. After crossing the Talmadge bridge on 17 take the Oglethorpe exit and follow Oglethorpe through the historic district. Go left at E. Broad and a quick right on President. You'll now have 6/10ths of a mile to move all the way to the left lane for your left turn onto Truman Parkway. Proceed 6 miles on Truman Parkway to the Montgomery Cross Exit. At the end of the exit ramp turn left on Montgomery Cross. In about 1/3 mile turn right onto Skidaway Road. As you approach the island you'll see marsh on both sides of the road followed by the Wormslow Historic Site Gate on the right. You're almost there. As you come into town bear left on Parkersburg Road and start looking on the right for the sign for Isle of Hope Baptist Church. This is Rose Street. Turn right on Rose and look for parking in the church lot on the left. A couple of hundred yards further down Rose is a marina where we have been able to use restrooms in the past.

A description of the ride: Isle of Hope is a Historic District that dates back to about 1850. It was established as a summer retreat fot the rich and famous of Savannah. Great live oaks and a fascinating variety of architechture will make this 12 mile ride through residential areas a real treat.
